## NEA Group Term Life

### You're their rock. We're here to be yours.

If something were to happen to you, would your family be able to maintain their current standard of living? Do you have enough savings or assets to pay outstanding loans or credit cards and other debts? If you have children, will they be able to afford college?

The NEA Group Term Life plan helps to provide an **easy, affordable way to help protect your family's financial future.**

### You'll pay exclusive competitive member rates.

Because we're 3 million members strong, the NEA had a unique opportunity to work closely with **The Prudential Insurance Company of America** to negotiate an exclusive deal on this valuable coverage.

### Is your life insurance from your school district enough?

Did you know that almost half of households (48%) that only have workplace life insurance coverage say their families would struggle financially in less than six months should a wage earner die unexpectedly?<sup>1</sup>

Many NEA members carry only the life insurance from their school district, which may not be enough. In New Jersey, your district coverage typically represents 3 to 3½ times your annual salary. And you may lose that benefit if you change jobs.

The NEA Members Insurance Trust developed the NEA Group Term Life Plan to help supplement your district's coverage and provide the added financial safety net your family deserves. **Your NEA Group Term Life coverage is completely portable.** And as an NEA member, you can take this coverage with you if you change jobs. If you lose your job, NEA Members Insurance Trust will pay your premiums for up to 12 months.

### You can choose your coverage amount.

NEA Group Term Life is flexible, allowing you to choose just the amount of coverage to fit your family's needs. We recommend coverage of \$50,000 or \$100,000.

If you're age 54 or younger, you are eligible to apply for \$200,000 in coverage through an easy enrollment process. Higher coverage amounts are also available.

Please call **800-704-1365** for more information.

<sup>2</sup>Issuance of coverage may depend upon answers to health-related questions on the enrollment form.

<sup>3</sup>Accelerated Death Benefit option is a feature that is made available to Group Life Insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered terminally ill. You may wish to seek professional tax advice before exercising this option.

<sup>4</sup>Eligible child coverage begins at 14 days until age 21, or until age 25 if unmarried and fully dependent on your support.
