You have 30 days to review your Certificate of Insurance. If you are in any way dissatisfied, you can return it within this time period, as long as you have not submitted a claim. Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered terminally ill. You may wish to seek professional tax advice before exercising this option.

Please Note: You can name your Beneficiary once you receive your issuance materials. Assign your Beneficiary online at neamb.com/ myaccount, or complete and return the Beneficiary Designation Form included in your issuance packet.
